Markham Soccer Club

Accessibility for Persons with Disabilities Policy

Effective Date: October 2026

FACILITY ACCESSIBILITY

The Markham Soccer Club is committed to providing an inclusive environment to participants of all abilities to have equitable access to Club programs, activities and facilities.

The Club works with facility owners and operators to ensure that fields, training venues, meeting spaces and other facilities used for Club activities are accessible whenever reasonable possible and comply with applicable accessibility standards and legislation.

To support our participants of all abilities, the Club:

- Works collaboratively with facility providers, coaches, and volunteers to remove barriers to participation whenever possible;
- Makes reasonable accommodations to support participation and inclusion;
- Promotes equal access to soccer programming, regardless of physical, developmental, sensory or cognitive abilities;
- Makes reasonable accommodations to support participation and inclusion;
- Supports the principles of inclusion, accessibility, dignity, independence, integration and equal opportunity;
- Encourages participants and families to communicate accessibility needs so appropriate accommodation can be considered

Markham Soccer Club is committed to fostering a welcoming and accessible environment that enables all participants to enjoy and benefit from playing soccer.
